CSS Guide | Introduction to Single File Components | The InfoCard Component

```sass
<style lang="sass">
  .info-card
    position: relative
    height: 280px
    width: 700px

  .head-pic
    position: absolute
    width: 160px
    height: 279px
    overflow: hidden
    background-color: rgb(121, 121, 121)

  .info
    position: absolute
    left: 180px
    font-family: 'Raleway', sans-serif
    font-weight: 600

  .info-name
    @extend .info
    top: 20px
    font-size: 30px
    color: rgb(174, 0, 21)

  .info-type
    @extend .info
    top: 60px
    font-size: 15px

  .info-description
    @extend .info
    top: 90px
    font-size: 13px

  div.info-rating
    @extend .info
    position: absolute
    bottom: 12px
</style>
```
